

Town and River Bridge Group | April 2024

The Town and River Bridge group plays at member's houses during the "season" - October through April from 10 am to 3 pm. We are always looking for new members or substitutes particularly in our neighborhood. If you enjoy playing bridge, we would like to have you join our group. We play the second and fourth Monday of the seasonal months. Come and join us, make new friends, have some good laughs and bridge challenges!
